## COMPANY BRIEF

[www.nandnifastners.com](http://www.nandnifastners.com)

Nandni Precision Fastners is a leading manufacturer of Nuts and Bolts and is serving the Fasteners Industry Since 1994. Mr. Raman Loomba started the business in the year of 1975 with the unit of Bright Bar. Then in the Year of 1980 the Company Started Manufacturing of Industrial Fasteners. We are pioneer in Industrial Fasteners products and have more than 35 years of rich industrial experience.

In year 2010 Mr. Pulkit Loomba Son of Mr. Raman Loomba Joined the company to supplement the much-needed support to take the company to today's position. Now a days Nandni Precision Fastners is a well Known name in the All Kind of Fasteners with its quality products Nut, Bolts, Washers, Threaded Bar, B7 Stud, Fasteners of Oil engine, Submersible Pump, Hand Pump and Automotive Fasteners.
